Headline:
A bright evening, partly cloudy overnight.

This Evening and Tonight:
Dry and bright, with light winds this evening. Partly cloudy skies overnight with some clear spells developing in places, allowing the odd patch of mist or fog to form by dawn. Minimum temperature 10 deg C (50 deg F).

Friday:
Early mist or fog clearing, then another dry day with variable amounts of cloud but also some warm sunny intervals. Cloud thickens in the west later, with some rain possible. Maximum temperature 23 deg C (73 deg F).

Outlook for Saturday to Monday:
Cloudy start with some rain Saturday, clearing to brighter intervals and heavy showers. Changeable Sunday and Monday, with plenty of drier weather, but also rain or showers, heavy at times.
